

Amendments to the Specification:

At page 2 of the substitute specification, please amend the sixth full paragraph as follows:

This object is resolved according to the invention with the features in claims 17, 31, 37, 51, 59, 61, 63 and 71 ~~Claim 1 and Claims 14 to 16~~. Practical embodiments of the invention are included in the sub-claims.

So that the amended paragraph reads:

This object is resolved according to the invention with the features in claims 17, 31, 37, 51, 59, 61, 63 and 71. Practical embodiments of the invention are included in the sub-claims.
